

ENVIRONMENTAL POLICY

Dennis Eagle Ltd, part of the Ros Roca Group is the leading European manufacture of Refuse Collection Vehicles and service support.

We are committed to environmental good practice in all elements of our activities and in doing so the Company will:

Comply with all applicable Legal, Regulatory and other requirements to which the Company subscribes.

Commit to continually improve our processes and prevent pollution.

Within the framework of an Environmental Management System, integrated with other business systems, set and review objectives, targets and goals to achieve continuous improvement.

Ensure that all employees are aware of and understand their Environmental responsibility in their daily activities.

Communicate Environmental Policy to all our employees, and people working on behalf of the company.

The achievement of these commitments will be continuously verified by internal audits and by External Certification by a recognised Body and will be communicated to all interested parties.
